

David

Fixed a couple of compile errors.

Added comments.

Created a JAR file.

Pasted methods from the previous assignment such as the `cleanWord()`, `isAvenger()` and others.

Together finished the `readInput()` and `createOrderedTreeMaps()`.

Daniel

Created the `printAllAvengers()`, `printTopAvengers()` and `printResults()` methods.

Created the `HashMap` and `Tree Maps`.

Fixed a couple of compile errors.

Added Comparators from the previous assignments.

Together finished the `readInput()` and `createOrderedTreeMaps()`.

Joseph

Did nothing. Left the Discord server and has not communicated with us since the start of the Assignment. Was not part of the shared `repl.it` document.
